Naman Marbles Pvt Ltd: Pioneers in the Stone Market of Asia:

With a legacy spanning 30 years, Naman Marbles Pvt Ltd has established itself as a leading name in the stone industry, based in the heart of Asia's largest stone market, Kishangarh (Ajmer). Our journey began with a mission to provide quality stone products for builders, homeowners, and retailers. Over the decades, our dedication to unmatched quality has made this journey a memorable one.

Commitment to Quality and Innovation

Our passion for excellence drives us to source the finest materials from renowned quarries, ensuring we stay abreast of current market trends, material quality, competitive pricing, timely deliveries, and customer preferences. Utilizing the latest technology, tools, and processes, we guarantee the value and quality of the stones we supply.

Extensive Product Range

With a robust production capacity of over 300,000 sq. ft. per month, we are equipped to handle any project within stipulated timelines. We offer a diverse range of products, including:

- Marbles
- Onyx
- Travertine
- Limestone
- Sandstone
- Granite

Our comprehensive selection of slabs and tiles makes us a one-stop solution for all your project needs.

Expertise and Dedication

Our team of dedicated and experienced professionals shares a common vision and passion for natural stones. Their expertise ensures that every product meets our stringent quality standards.

Customer Satisfaction

Customer satisfaction remains our top priority. Our long-standing associations with reputed clients in the industry testify to our commitment to excellence. We pride ourselves on delivering superior service and top-quality products at all times.

Current Stock Highlights

While the variety of natural stones we offer is nearly endless, we are pleased to present some of our high-demand items currently in stock. Please find the enclosed details for your perusal.

We look forward to fulfilling your requirements and assure you of our best services and product quality always.

Warm Regards,

The Management Team
